

Disclaimer: The information provided (including allergen and ingredients information), in good faith, is based on details provided by the suppliers of those products. In providing the information, Sysco GB Ltd is reliant on the accuracy and completeness of the product information provided by suppliers or via the third party product information databases they subscribe to. Whilst Sysco GB Ltd does what it can to ensure this information is up-to-date and accurate, Sysco GB Ltd cannot be held responsible for any inaccuracies or omissions in this information. This is particularly important because, where recipes and/or formulations are changed by the suppliers, the information on the website may be inaccurate for a period of time, until such time as Sysco GB Ltd is notified by the relevant supplier, and such changes have been updated. In case of supplier branded products, any reliable allergen information we hold is related to the deliberate ingredients used in the product. However, in some instances we may also provide 'may contain' allergen statements where the supplier has provided us with the information. Furthermore, it is possible that where a product recipe changes, there are products made to the old and new product specification in the supply chain. Therefore, you must check the packaging of the product delivered for the most accurate and up to date product information relating to the actual delivered product, or alternatively please contact Sysco GB Ltd Customer Care Team.

Disclaimer: The information provided (including allergen and ingredients information), in good faith, is based on details provided by the suppliers of those products. In providing the information, Sysco GB Ltd is reliant on the accuracy and completeness of the product information provided by suppliers or via the third party product information databases they subscribe to. Whilst Sysco GB Ltd does what it can to ensure this information is up-to-date and accurate, Sysco GB Ltd cannot be held responsible for any inaccuracies or omissions in this information. This is particularly important because, where recipes and/or formulations are changed by the suppliers, the information on the website may be inaccurate for a period of time, until such time as Sysco GB Ltd is notified by the relevant supplier, and such changes have been updated. In case of supplier branded products, any reliable allergen information we hold is related to the deliberate ingredients used in the product. However, in some instances we may also provide 'may contain' allergen statements where the supplier has provided us with the information. Furthermore, it is possible that where a product recipe changes, there are products made to the old and new product specification in the supply chain. Therefore, you must check the packaging of the product delivered for the most accurate and up to date product information relating to the actual delivered product, or alternatively please contact Sysco GB Ltd Customer Care Team.

Disclaimer: The information provided (including allergen and ingredients information), in good faith, is based on details provided by the suppliers of those products. In providing the information, Sysco GB Ltd is reliant on the accuracy and completeness of the product information provided by suppliers or via the third party product information databases they subscribe to. Whilst Sysco GB Ltd does what it can to ensure this information is up-to-date and accurate, Sysco GB Ltd cannot be held responsible for any inaccuracies or omissions in this information. This is particularly important because, where recipes and/or formulations are changed by the suppliers, the information on the website may be inaccurate for a period of time, until such time as Sysco GB Ltd is notified by the relevant supplier, and such changes have been updated. In case of supplier branded products, any reliable allergen information we hold is related to the deliberate ingredients used in the product. However, in some instances we may also provide 'may contain' allergen statements where the supplier has provided us with the information. Furthermore, it is possible that where a product recipe changes, there are products made to the old and new product specification in the supply chain. Therefore, you must check the packaging of the product delivered for the most accurate and up to date product information relating to the actual delivered product, or alternatively please contact Sysco GB Ltd Customer Care Team.
